Sir,

Sub Sinking of two Bore wells in Dodballapur Town

It is reported that with a view to improving the water supply in Dodballapur town, it was proposed to sink two bore-wells in Dodballapur town and that the Sanitary Engineer was pleased to forward an estimate in this behalf costing Rs 6000/- The estimate was countersigned and returned to him for taking necessary action in the matter He has since replied that unless the estimated amount is placed at his disposal it is not possible to take up the work

The matter was placed before the Municipal council at their meeting held on 30-9-48 and it was resolved that Government might be requested to sanction a grant equal to half the estimated cost of the work

The President Town Municipal council Dodballapur has accordingly requested that a recommendation might be made for the sanction of a grant of Rs 3000 As regards the Municipality's share of cost, it is stated that it may ordered to be met out of the closing balance

In these circumstances I request that Government may be pleased to sanction a water supply grant of Rs 3000/- being half the estimated cost of the work and the other half of the cost may be kindly ordered to be met out of the closing balance of the Municipality

The entire file of records is enclosed for favour of reference

Yours faithfully,

FOR DEPUTY COMMISSIONER
BANGALORE DISTRICT
